

Aloha & thank you for considering Fist of Fusion to cater your special event! For a complete meal, we recommend choosing 2-3 proteins for your number of guests (which will include their sauces), along with rice or tortillas as a base, cabbage and 1-2 appetizers or sides. We are happy to make recommendations based on your party size. Our catering manager can be reached at [catering@fistoffusionislandgrill.com](mailto:catering@fistoffusionislandgrill.com)
